

Rise Electric Height Hot Desk with Scalloped Back Edge

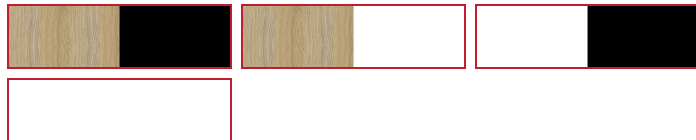

The Rise Electric Height range configurations, from a Single, corner workstation or desk and return to Back-to-Back workstations with screen division.

The range meets Australian standards for height range, has an LED digital controller, anti-collision and anti-tilt as standard and a 120kg plus weight rating.

With low noise emission and easy assembly, The Rise Electric Height Desk meets all Height Adjustable workstation requirements.

The optional integrated cable tray and snake add ons make managing wiring simple.

Finishes:
